About the College
Shri Vishnu Engineering College for Women was established during the academic year 2001-2002 to empower women in professional courses. The institute has witnessed significant growth within a period of 14 years and stands out as one of the best engineering colleges in AP.

The institute is accredited by NAAC with ‘A’ grade. The institution is under autonomous status from the academic year 2014-15 and it is the first women’s engineering college under JNTUK to get such an autonomous status.

In recognition of its progressive strides, the World Bank has granted TEQIP Phase-II project to SVECW. Indian Merchant’s Chamber (IMC) recognized the services of SVECW with its Ramakrishna Bajaj National Quality award in education sector.

About the Department
Department of CSE was established in the year 2001. It has been so structured, in terms of experienced staff and excellent laboratory facilities. The department is accredited by NBA. The department offers B.Tech, M.Tech (C.S.E) and M.Tech(S.E) courses. The department has two research labs in the areas of mobile computing and cloud computing.
