

## **BENEFITS FOR THE REGISTERED INSTITUTIONS**

- IEG – JKC would send IT Associates to train JKC Students for two sessions/week.
- IEG – JKC IT Associates will also train JKC Students for Certifications like IBM, Oracle, Microsoft, MES etc. However JKC Colleges have to motivate students and then schedule the training in consultation with concerned Project Manager/Program Manager/DDM. The slots will be assigned on first cum first serve basis
- All the registered institutions would become a part of the MOUs between JKC and its various industrial partners
- Faculties of the registered institution would get chance to participate in several industrial workshops to be organized by IEG – JKC with its industrial partners
- Registered students of these institutions would get the opportunities to participate in the campus recruitment events organizing by IEG – JKC
- Registered students of these institutes would get complete waiver / discounted price towards Certifications fees as applicable to ORACLE, Microsoft, IBM, MES etc.
- Students can participate in the career counseling workshops, Seminars, Competitions etc organized by IEG – JKC or supported by JKC
- JKC Colleges can request for workshops on Soft Skills (1 to 2 days) twice in the Semester & IEG – JKC will organize these with help of a team from Hyderabad.
