

SHRI VISHNU ENGINEERING COLLEGE FOR WOMEN :: BHIMAVARAM ANTI RAGGING – MEASURES

To establish an effective Anti Ragging System in line with the directives of JNTU-K and AICTE, **SHRI VISHNU ENGINEERING COLLEGE FOR WOMEN** has taken the following measures:

1. An anti ragging committee comprising the principal, HODs, Wardens and Student Representatives has been constituted.
2. An Anti Ragging Squad is also constituted with the members who keep strict vigilance throughout the day from morning to night. First three months, the members will make surprise visits to check any untoward incidents.
3. Notices explaining the anti ragging measures are displayed on all the notice boards in all the departments of the college as well as hostels. Postures discouraging ragging have also been displayed at all strategic points.
4. Notifications have been released clearly mentioning that ragging is banned in the college.
5. The prospectus containing information about the directives of the AICTE, about the prohibition and consequences of ragging are displayed.
6. On admission every student is given printed information as to whom she has to turn for guidance for various purposes including warden, HODs and members of anti ragging committees along with their phone numbers.
7. Undertakings by students have been taken saying that they are aware of the laws of ragging.
8. As part of the orientation a counseling session was organized for the freshers and their parents. In his address the Principal explain them the measures of anti ragging taken by SVECW as per the recommendations of the JNTU and AICTE.
9. The class work timings of the seniors and the juniors have been staggered so that the freshers and the seniors do not meet.
10. Working hours of first year classes are different from the rest of the classes for a period of two months in the starting.
