About the College

Shri Vishnu Engineering College for women was established during the academic year 2001-2002 to empower women in professional courses. This institute has witnessed significant growth within a period of 19 years and stands out as one of the best engineering colleges in AP.

This institute is accredited by NAAC with 'A' grade. This institution is under autonomous status from the academic year 2014-15 and it is the first women's college under JNTUK to get such an autonomous status. It is permanently affiliated to JNTU Kakinada.

In recognition of its progressive strides, the World Bank has granted TEQIP Phase-II project to SVECW. Indian Merchant's Chamber (IMC) recognized the services of SVECW with its Ramakrishna Bajaj National Quality award in education sector.

About the Department

Department of Computer Science & Engineering was established in the year 2001. It has been so structured, in terms of experienced staff and excellent laboratory facilities. The department is accredited by NBA thrice. The department is offering B.Tech with an intake of 180 seats and M.Tech in CSE and SE specializations with an intake of 18 in each specialization. The department has Cloud Computing and other research labs. The department of CSE is holding a research centre approved by JNTUK Kakinada.

About FDP

The primary objective of this five days National level online Faculty Development Programme (FDP) on "Recent Trends in Artificial Intelligence, IoT, and Data Analytics" is to enrich faculty members with modern trends in the field of artificial intelligence, IoT, Data Analytics and its modern applications in machine learning, deep learning. The FDP is divided into several modules falling under the umbrella of Artificial Intelligence including Machine Learning, Deep Learning, Data Science, Natural Language Processing and Digital Image Processing.
