

SHRI VISHNU ENGINEERING COLLEGE FOR WOMEN :: BHIMAVARAM
(Autonomous)

ANNUAL REPORT :: 2022-23

Institute Profile:

Shri Vishnu Engineering College for Women (A) – SVECW was established in 2001 to cater to the needs of the aspirations of rural girl students in the field of engineering education. Since its inception with three undergraduate programs with an intake of 180 students, the college has incrementally added more programs. Presently, there are nine undergraduate and five PG programs with an intake of 1074.

Over the years, SVECW has been recognized by various national and international bodies such as NBA, NAAC, NIRF, AIIRA, AICTE – CII Survey, AICTE – USVA 2020, MHRD – IIC, IMC, APQO and QEEE, as an institute of excellence.

The Industry Relations of SVECW is one of its kinds with multi-layered support system. The network of offices in Hyderabad, Chennai, Bengaluru, Pune, and Vadodara will be in constant touch with diversified industries across the country to pursue placements, internships, industry - academia interaction, R&D collaborations etc. Leadership is actively involved in promoting change in education and industry collaborations by taking active role in Industry Bodies such as NASSCOM, CII etc.

SVECW also has MoUs with many companies (IT as well as core) in designing the industry specified curriculum, faculty development, certifications for students etc. These activities help students and faculty to stay ahead of their peers in acquiring the latest technologies and skills.

SVECW works with organizations such as TalentSprint, Smart Interviews, ELEPHOS, VINEX, TIME and Foreign Language Programs on specific Academic Programs to help students get the skillset before they graduate and be ready to be productive for hiring organizations from Day-1. Skill promotion has helped students perform consistently, be superior in many competitions organized by Industry. The examples are Hackathons or coding or project competitions.

These initiatives always stand SVECW consistently ahead of others in placements from 2015 onwards in top MNCs such as Amazon, Flipkart, Adobe, Caterpillar, ZOHO, JohnDeer, Providence, American Express etc.

SVECW is proud of its uniqueness in many ways. To mention a few:

- ✓ Radio Vishnu 90.4, the only college in A P state to have FM Radio
- ✓ Rural Women Technology Park
- ✓ FIST
- ✓ Assistive Technology Lab
- ✓ IUCEE
- ✓ Vehicle Design Lab
- ✓ IoT Lab
- ✓ TBI

The college has MOUs with academia such as Central Michigan University, University of Massachusetts, Community College of Philadelphia, Purdue University, Northern Illinois University and IEG, GC German Center for Engineering and Management Studies UG Aachen and European Center for Mechatronics APS GmbH Aachen, and University of Bolton.

The college believes that teaching and research are interlinked. In order to ably do this, the college gives financial assistance to faculty to pursue higher education through initiatives such as reimbursement of tuition and registration fee for Ph.D Programs, leave with pay for post graduate and Ph.D Programs, financial assistance to attend and conduct conferences and workshops. The college acknowledges and honors teachers with special talents and competencies with awards and monetary rewards.

The college's knowledge hub, the library houses a large number of books and journals both print and online to cater to the intellectual needs of faculty and students.

The teaching-learning is given top priority. Some of the unique features of the curriculum include:

- ✓ Open Electives
- ✓ Pre Electives
- ✓ Self-phase Learning Courses
- ✓ Art Courses
- ✓ Value Added Courses
- ✓ Internship support
- ✓ Bridge and Remedial Courses for slow learners

To cultivate research mindset in students, they are encouraged to become members of a number of professional bodies like ISTE, SAE, CSI, IETE, IEEE, IET and ICI. Some of the economically weak students are given fee waivers, opportunities to earn while they learn and financial assistance in participating at state/national level conferences/seminars etc.

Apart from the curriculum, the students are engaged in a large variety of projects. Some of which are: Visitor tracking system, Unmanned autonomous boat, Bamboo Bicycle, E-stick, Braille Printer etc.

The students of SVECW have the advantage of pursuing their interests and hobbies through a 28 student clubs to showcase their creativity and develop their leadership skills.

To mention a few: CodeChef SVECW Chapter, Toastmasters International Club, SAHAYA, IDEA Club, Amateur Astronomy Association, Eco-friendly Club, MECOW etc.

Amenities at SVECW include 1200 capacity of a/c auditorium, Open air auditorium, electricity power backup, computing facilities, RO Plant, water sewage treatment plant, hostels, book store, Bank, post office, photo studio, tailoring shop, car driving institute, ATMs, beauty parlour, convenience store and temples, boat club, swimming pool, Radio Vishnu, Vishnu TV Academy, Music Club etc.

The well-equipped gymnasium and dedicated Psychology department with qualified staff provide recreation through mental and physical fitness.

Education at SVECW is an experience.

ISTE STUDENTS CHAPTER

Date: 13-05-2023

REPORT on ICE BREAKING Program- 2022

Under the leadership of the former Prime Minister [Atal Bihari Vajpayee](#), India conducted a series of five nuclear bomb tests (Pokhran-II) in May 1998. Following the success of Pokhran-II, the government declared May 11 as National Technology Day in 1998. The first nuclear test was conducted in May 1974.

In 1998, India became the world's sixth nuclear test. The country was put under heavy sanctions by the US government following the nuclear test. However, India didn't back down under the influence of western powers and went ahead with the test. Since then, May 11 is being celebrated as National Technology Day to acknowledge the contribution of scientists and engineers in the development of the country.

ISTE STUDENT CHAPTER of Shri Vishnu Engineering College for Women (Autonomous) has celebrated National Technology Day-2023 and also organized various 4 technical events in that two events are conducted as Daily events and two spot events on the grand event under virtual mode on this occasion. Totally 140 students from all the departments have been participated in these various events with the Various Department faculty coordinators.

List of Events organized:

Grand Event:

11 May 2023 4:30 pm A block seminar hall

The poster features a green and blue background with various logos and icons. At the top left is the Vishnu Technical Education logo. At the top right is the ISTE logo. In the center, there is a graphic of a rocket launching from a base of colorful hexagons. At the bottom, there are icons for a calendar, a clock, and a location pin.

Daily Events Description:

- 1) **Insight-Write:** It is a written event, which is an article writing competition where as participants have to write down their thoughts about the video that is projected on the screen and have to submit it.

- 2) **Tech-League:** It is a group discussion event. A group of students are given a topic. And it is discussed for 5 mins (among them). Later 5 mins time is given to the them to express their view on the given topic.
In this the points that are to be considered:
- 1)Time management
 - 2)Coordination between the team
 - 3)Clarity in the point that they convey

Spot Events Description:

- 3) **Drop-A-Caption:** In this event, participants were shown a picture and on seeing that picture they need to write a caption or a quote that relates the picture.
- 4) **Tech with Fun:** It is a fun event. In this, the colour papers are hidden in the random seats. The one who occupied those seats are the one to participate in the event. The participants with the same colour chits are paired together. The participants are given 2 printed papers in which one is user and the other is the app that we use regularly. The main theme is conversation between the user and the app.
