

SHRI VISHNU ENGINEERING COLLEGE FOR WOMEN :: BHIMVARAM

(AUTONOMOUS)

VISHNU STUDENT SUCCESS CENTRE

REPORT

Activity name: Moral Values

Date: 24th September, 2024

Time: 2:30pm to 4:30pm

Student Success Centre conducted sessions on “Moral Values” to first year students. The program is planned for the students to promote ethical behavior, personal development, and social responsibility.

On 24th of September 2024, the program was started and these sessions are designed to instill principles such as honesty, respect, kindness, and responsibility, which help participants navigate both personal and professional challenges with integrity.

To conduct this session, Dr. Bhavani Prakash engaged first-year students in a series of moral values discussions, focusing on the development of ethical principles and personal growth. Through interactive activities and thought-provoking conversations, Dr. Prakash encouraged students to reflect on their decisions and actions, helping them understand the importance of ethical behavior and their role in contributing positively to society.

Glimpses of the activity:
