VISHNU STUDENT SUCCESS CENTRE

REPORT

Activity Name: A five-day Workshop on "VOCABULARY BUILDING"

Conducted on (DATES): 19th -23rd November, 2024

No. of Students attended: 52 Students from I Year

Student Success Centre proposed a Five-Day Workshop on Vocabulary Building for the First year students. A total of 52 students from first year attended the workshop.

The entire batch of students were divided into two batches: One batch of students were from EEE & CE Branches and the other batch of students were from the remaining branches of engineering courses. The materials are limited for the five days but they were chosen aptly keeping in mind the academic advancement of these young girls. The Word Power Made Easy book by a renowned writer Norman Lewis was one of the major resources. The method of teaching vocabulary is through 'Etymology'.

On the very first day, the students were trained in selective vocabulary or words on the personal traits of people. New words have been introduced such as: alter ego, egocentric, altercation, ascetic and the like. These participants were involved in teacher-student interaction very enthusiastically and energetically.

On the Second Day, the participants were given more practice through interactive session. These students were able to reinforce their learning.

On the third day, the first year students were introduced to new words on various doctor professions and they were given more practice on the related words of these professions. Students got involved while learning these words through the technique of etymology.

On the fourth day, the participants were given more practice on the essential words through rigorous practice. Most of it was done orally for the retention of the words and pronunciation of these words correctly.

On the last day students were given scope for learning independently with small groups. They were given other very essential words for their academic success. The students really felt happy about their learning new words and for the technique of retaining these new words.

The workshop was conducted from 19th to 23rd November 2024. The students who showed enthusiasm enrolled for the workshop. The number of student participants was Fifty Two. The Resource Persons were Dr.P.Sreehari Raju, Professor of English and Mrs K Vasumathy Srinivas, Assistant Professor English.
