

Shri Vishnu Engineering College for Women (SVECW):: Bhimavaram

Department of English

Foreign Languages Training Program: 2024-2025

German:

German language skills open doors to a wealth of knowledge, technological advancements, and global career prospects, enhancing the versatility and success of aspiring engineers in an international context. With this objective, SVECW introduced German Basic Level, a sixty hours course in 2012.

Trainers from Global Language Solutions, Chennai, were invited to teach the German language to students across six sections: I AIDS-A, AIDS-B, AIML-A, EEE, Mechanical and Civil. The training was conducted by three experienced professionals, including Mr. Joseph Xavier, Mr Mansoor and Ms. Mathura. Their expertise and structured teaching methods provided students with a strong foundation in the language, ensuring an interactive and enriching learning experience. In total, 395 pupils received German language training.

List of students trained in German language:

AIDS-A
