- ◊ After receiving the finalized list of registration and timetable for final examinations from concerned ACE (Registrations), input is given to Server System which generates registrations file for both theory exams and lab exams.
- ◊ The registrations file for both theory exams and lab exams is sent to Hitech Print Systems for printing of Theory OMR Booklet and Lab OMR Sheets.
- ◊ Hitech Print Systems prints and sends theory OMR Booklets and Lab OMR Sheets with students variable barcode data.

24 Post-Examination Process

24.1 Coding and Packing

- ◊ The concerned ACE will check the answer scripts received from the Invigilators with the D-forms received and malpractice cases if any.
- ◊ After verification, concerned ACE should prepare code serial for each course and branch to be printed on the answer books and bundle numbers and concerned mark statement.
- ◊ Shuffle the answer books in bunches of about 05 to 10, and print code number serially, at four specified places on each answer booklet.
- ◊ Take out the perforated part-I from the answer books.
- ◊ Pack Shuffled answer booklets in bundles each containing 40 for spot valuation.
- ◊ Pack the bundles subject wise along with OMR Sheet .
- ◊ Bundle slip format should be filled and should be paste on the top of the pack.
- ◊ The packed bundles will be kept in the custody of CE.

24.2 SPOT VALUATION

- ◊ The institute adopts the system of Central evaluation of the answer scripts by appointing the external examiners/valuators from reputed institutions. Coordinator for central evaluation will be nominated by the controller of Examination. The coordinator will be responsible for conduct of evaluation.
- ◊ At least fifteen days before the commencement of spot valuation, the ACE-Valuation concerned, should contact the examiners, from the panels of examiners which are approved by Controller of Examinations.

- ◊ The Examiner shall have minimum of 3 years of teaching experience and he/she must have taught the subject of valuation at least once. However, teachers with 2 years experience may also be considered for scarce specializations.
- ◊ Spot valuation will be commenced only after preparation of a Detailed key (solutions cum scheme of valuation), which is prepared by course coordinator.
- ◊ Well in advance arrange the question papers, detailed key award lists and other stationary required for the smooth conduct of spot valuation.
- ◊ On the day of valuation, the question papers and detailed key will be given to the valuator along with answer books.
- ◊ The Examiner can value a maximum of 80 answer scripts per day (i.e 40 scripts in each session)
- ◊ The valuator should evaluate each answer in answer script and fill the boxes in part-II of OMR sheet representing the question numbers with the marks obtained for each question in the respective boxes.
- ◊ The valuator should not correct the marks by scratching and writing. In case of any correction, strike of previous figures by a line and write the new marks aside.
- ◊ Valuator should enter the total marks in the boxes provided at the answer booklet.
- ◊ Valuator should use ball point pen (Blue or Black) for writing alphabets & numerical numbers in boxes and circles.
- ◊ Valuator should not detach any part of the OMR sheet. If detached, that should be reported to the coordinator.
- ◊ The valued answer scripts along with marks sheets signed by the valuator should hand over to the Scrutinizer/ ACE-Valuation. If there is any discrepancy in any valued answer scripts identified by the scrutinizer (i.e., non-valuated answers, wrong total etc.,) that should be reported to the valuator and required corrections to be made by the valuator with counter signature.

24.3 Scrutinizer

- ◊ The work of the scrutinizer starts almost concurrent with the process of evaluation. He/She should verify and ascertain that all the required information entered by the examiner on award list of marks is correct.
- ◊ He /She should check all the questions answered by the students whether valued or not valued by the examiners. If any answer is not valued, it should be immediately brought to the notice of the examiner and get it valued.
- ◊ He should check whether the marks awarded for all answers and posted in the marks table on the OMR sheet of the answer book. The marks posted should be checked for accuracy. Also, check the bubbling of total marks.
- ◊ He should also check whether same total marks on the answer book valued is carried to award list and entered the same in bubbling total. Marks mentioned in the figures on the OMR sheet and award list should tally with bubbling.
- ◊ The valued answer scripts along with marks sheets signed by the valuator should hand over to the Scrutinizer/ ACE-Valuation. If there is any discrepancy in any valued answer scripts identified by the scrutinizer (i.e., non-valuated answers, wrong total etc.,) that should be reported to the valuator and required corrections to be made by the valuator with counter signature.
- ◊ If there is no discrepancy, the Scrutinizer should sign on Part-II , detach it and arrange in coding order, pack award list (detached OMR slips) in an envelope with superscription of details.

- ◇ He should put signature only on Part-II of OMR sheet.
- ◇ The Scrutinizer submits answer script bundles to the ACE-Evaluator.
- ◇ ACE-Evaluation should maintain all the details of valuator and scrutinizers in the registers.
- ◇ ACE-Evaluation should handover all the OMR award list to the ACE-Systems for results processing.

24.4 Results Processing & Publishing

- ◇ After completing the valuation process the Hitech Print Systems will do the scanning and results processing and submit the files to Controller of examinations.
- ◇ Controller of examinations on receiving results scanning and processing files, the results are discussed with Principal and moderations are done if any.
- ◇ Based on the recommendations and directions of the Principal, the Controller of examinations will arrange for publishing results through college website and notice boards of the college.
- ◇ Along with results publishing the controller of examinations will issue notification for Revaluation.

24.5 Printing and issue of Grade Cards

- ◇ Grade sheets should be printed on grade sheets with multiple security features, verified and issued to students.
- ◇ After the announcement of results and revaluation results, the controller of Examinations will arrange for the printing of grade cards /sheets.
- ◇ The grades obtained by the student and the credits allocated to the course are to be entered into database using the software server installed in the examination branch.
- ◇ Once, all the data are entered, the printing of the grade cards will commence.
- ◇ Before printing the grade cards, the data viewed on the screen will be compared and checked with the data on results sheets.
- ◇ A record for grade sheets printed will be maintained.
- ◇ While issuing the grade sheet to the student, the signatures will be taken as an acknowledgement.
- ◇ If any student loses the grade sheet issued to her, a duplicate grade sheet will be issued on application and payment of prescribed fee.
- ◇ Such grade sheet will be oriented prominently as “DUPLICATE”.
