Report on *Mystic Math Mission***

As part of Ramanujan's Birth Anniversary celebrations the department of Mathematics SVECW & Mathletes club conducted series of events in November & December months. In this series the first event is 'Mystic Math Mission' conducted on (21-11-2024) from 4:00 pm onwards in open Auditorium.

This event involving questions of Mathlogic. This competition aimed to foster mathematical thinking, team work. Students are participated with enthusiasm . 270 students took part in this event in 54 teams, each with five members.

To score points, the team members who give the correct answer must carefully balance the balloon in the paper cup and move it to the next table without dropping it. Each team was asked five questions.

One student holds the cup while the other four out of five students must answer the questions. Students who answered the logic questions and placed the five paper cups correctly in short amount of time are the winners of the event.

The event was coordinated by Dr. P. L. R. Kameswari, Asst. Professor, Dept. of Mathematics, Ms. A. Aparna, Asst. Professor, Dept. of Mathematics, student coordinators Ms. K. Praneetha, III B Tech.CSE& Ms. Usha , III-IT.

The event ended successfully at around 5:30pm
