✓ The chairman eloquently presented a refined curriculum structured under the Choice Based Credit System, which includes a comprehensive suite of 9 B.Tech. undergraduate courses, 4 M.Tech. postgraduate courses, and a one M.B.A. program. This assortment, meticulously itemized in the forthcoming table, received prior endorsement from the respective Department Boards of Studies, affirming its academic rigor and relevance.

S. No.	Level	Name of the Programme
1	UG	B.Tech. - Civil Engineering
2	UG	B.Tech. - Computer Science & Engineering
3	UG	B.Tech – Cyber Security
4	UG	B.Tech. - Electronics & Communication Engineering
5	UG	B.Tech. - Electrical & Electronics Engineering
6	UG	B.Tech. - Information Technology
7	UG	B.Tech. - Mechanical Engineering
8	UG	B.Tech. – Artificial Intelligence and Data Science
9	UG	B.Tech – Artificial Intelligence and Machine Learning
10	PG	M.Tech. - VLSI Design
11	PG	M.Tech. - Power Electronics
12	PG	M.Tech. - Software Engineering
13	PG	M.Tech. - Computer Science & Engineering
14	PG	MBA

✓ He conveyed that the current curriculum has been meticulously revised and restructured in alignment with UGC standards, adhering to the wider guidelines set by AICTE and the affiliating university, JNTUK Kakinada. Additionally, he emphasized that the Program Outcomes (POs) for each course have been strategically mapped to align seamlessly with the overarching Mission and Vision of their respective Departments.

✓ The committee was informed about the diligent undertaking of gathering and analyzing feedback from all relevant parties involved in the curriculum revision process, ensuring a comprehensive approach to curriculum design and development.

✓ In the course of the meeting, the Academic Council sought clarity on the Course Structure that had received approval in the 9th Academic Council meeting, noting its effective alignment with set standards.

✓ The council members expressed their appreciation for the active participation and valuable input from stakeholders in shaping the curriculum's design and development, highlighting the importance of such collaborative efforts.

✓ After comprehensive deliberations, the Council unanimously agreed to officially approve the Course Structure for the slated programs. 19.8. Ratification of the Strategic Plan for the Academic Year 2023-2024
A sequence of strategic initiatives was approved following contemplation with the objective of
Enhancing student prospects in the realms of employment and higher education.
- ✓ Enhancing research partnerships with industry counterparts,
- ✓ Establishing Placement Liaison Offices to facilitate a wide range of internship opportunities,

- ✓ Monitoring student activities to ensure they are in line with industry standards,
- ✓ Providing financial support for capable alumni to participate in coding training, expanding internal training programs,
- ✓ Improving the Entrepreneurship Development Cell, and
- ✓ Automating Graduate Student Advisory Council(GSAC) proceedings via a mobile application.

Comprehensive plan to foster a robust research environment within the institution

- ✓ Fostering student achievements in research.
- ✓ Advocated for regular communication of research support opportunities to staff and students through various channels such as meetings, emails, WhatsApp groups, and notices
- ✓ Exploring partnerships with external funding agencies was identified as a key strategy to augment internal research support
- ✓ Providing students with platforms to display their lab projects, suggesting exhibitions, presentations, and competitions as effective means for showcasing student innovation and research capabilities

Embracing a holistic approach to enhance the work environment and professional development

- ✓ Promoting a healthy work-life balance through flexible work timings and wellness programs, coupled with a robust communication strategy across email, college magazine groups, and social media to boost awareness and participation
- ✓ Honor accomplishments in a public way while enhancing the recognition procedure in light of continuous input.
- ✓ Emphasizes the importance of internal workshops that promote professional development for faculty and staff.

To enhance the educational experience and resources

- ✓ Incorporating multimedia resources, interactive simulations, and virtual laboratories to enhance the educational experience.
- ✓ By implementing student performance data, instructors and learners can consistently enhance their instructional approaches, course materials, and learning strategies..
- ✓ Establishing robust networks with alumni, industry, and academia, and balancing virtual and in-person events for broader accessibility and collaboration.
- ✓ Promoting and integrating online courses into the curriculum, including establishing policies for credit recognition, to keep pace with evolving educational trends and to provide flexible learning options

To further the institution's commitment to inclusive and sustainable practices

- ✓ Establishing platforms for live discussions and interactions, enabling women to share experiences and suggest topics, enhancing gender inclusivity.
- ✓ Implementing a system to assess the impact of radio programs, ensuring they effectively address relevant issues and engage the audience.

- ✓ Conducting training programs for students and staff to raise awareness about zero discharge, green practices, and the use of alternative energy, fostering an eco-conscious campus culture

A thorough plethora of initiatives with the objective of augmenting the academic and operational excellence of the institution was deliberated and ratified by the council.

19.9. SWOT Analysis.

A SWOT analysis report was put forward for examination by the members of the academic council. For the upcoming academic year, feasible recommendations have been identified based on the outcomes of the SWOT analysis.

19.10. The committee proposes that the Governing Body consider the establishment of scholarships, awards, and honors.
- ✓ Principal Explained the Meritorious Scholarships, Awards, Prizes and Medals are being given to the Toppers of the College.

- ✓ Members suggested that good rankers of EAMCET can be given Fee Waiver ensuring that student is not getting any Scholarship from Government and this proposal should be presented to Governing Body for its Approval.

19.11. Promote new learning methodology through ICT
- ✓ To overcome the Covid Pandemic and to engage the students effectively, members suggest to implement innovative teaching methodologies using Digital Pedagogical Techniques
- ✓ As a part of creating interest among the present-day students and improve the learning skills to the students, the academic council members advised to adopt more ICT methods in the teaching learning methods.
